Please find attached our comments in relation to your query list.

In relation to Query 01 specifically – please allow for new paving as indicated on drawing A-(11)1000 – Ground Storey Plan and further allow to replace existing up until road edge. We should also have a budgetary allowance for concrete bollards along the road edge and R100k PC sum for landscaping overall.

Paving spec below (colour: charcoal):

Hi Tony

What a coincidence. I've just spoken to you and now see your email.

I attach the Query List, as discussed.

Your drawings are excellent. It's refreshing to work on a project where there is so much clarity up front.

I'll send the Query List to the Elec and Mech Engineer's as well as I will need to import their bills in the main set.

@'Andries Strauss'@'Ashraf Brown' please note the applicable items.

I will likely need to stay in touch for clarity. Thanks for reaching out.

Best regards
